

## Rivershill CHELTENHAM, GLOUCESTERSHIRE

Cheltenham of 63 prime residential apartments with a total development area of circa 57,977 sq. ft.

A new development in central

Rivershill is a mixture of one, two and three bedroom apartments and penthouses. With an enviable location, this exclusive development is within easy access of the very best that Cheltenham has to offer.

With a mix of excellent High Street shops and independent shopping quarters such as Montpellier and The Suffolks, as well as an eclectic mix of bars and restaurants alongside the many theatres and entertainment venues, Cheltenham offers a hive of culture, sport and activity to suit everyone.

The generously-sized apartments each boast an impressive standard throughout with contemporary interiors and a specification of the highest order as well as ample offstreet parking.

This project is a joint venture with Telereal Trillium and is in construction.
